family and a meaningful place in this world angelini takes you from behind the scenes of hollywood elites underbelly to the la kick backs on the outskirts of the city where ketamine and molly are the norm then back to the desolate factory towns in the fly over states where he developed his unique voice once again we are treated to angelini s distinct writing style that manages to say as much between the lines as he does within them angelini explores the changing landscape of what is true and what is allowed to be true in the current climate using a narrative that is equal parts humour and heartbreak amazon
